

BRISTOL AVON REGATTA

TRAILER, COMPETITOR AND SPECTATOR PARKING

Trailers, towing vehicles and minibuses (and cars carrying boats) should park in the field just by the A4, at the start of the track down to Avon County Rowing Club's boathouse.

Competitors and spectators should park in the field next to the Riverside Inn. From there, it is a couple of minutes walk along the riverside path to the boathouse (at one point there is a flight of steps over the entrance to a marina).

Please note that traffic approaching from the Bristol direction will need to make tight turns off the A4. It is recommended that traffic approaches from the Bath direction if possible.

PLEASE APPROACH FROM THE BATH DIRECTION IF POSSIBLE
